

COACH THE COACHES

Skill identification and correction

Are you coaching this season and want to learn some key coaching skills and drills to improve as a coach and to impact your team? Here's your chance to learn from Sutherland Stingrays Premier League Coaching Staff Maria Lynch and Craig Marsh who will provide valuable insight into how and what to look for, determining what's most important and then using the tools available for correction. These 2 keys will ultimately make you a better coach producing better skills in your players.

Date: Tuesday 21st May - Time: 7pm-8.30pm

Venue: Bellingara Netball Stadium - Cost: \$45

The session runs for 1.5 hours and is appropriate for coaches of all ability levels. The session affords question and answer opportunities designed to help coaches make immediate improvement to their own fault detection methods and their ability to improve player skills.

A fantastic opportunity to be part of court-side learning from 2 of SSNA's most experienced Head Coaches.
