

2019 Junior Representative Team nominations close on 31st August 2018. Forms are available on the website or at Control.

Completed forms should be handed to your Club Secretary along with the \$20 application fee.

The selection dates for the 2018 junior representative teams are detailed on the following page.

There is usually a carnival at Manly that our representative squads attend in early February. This carnival is a part of our final selection process. When the dates are available all players in the 12 years – 15 years squads will be advised by their coach/manager.

Please ensure that all players nominated to trial are aware that they must attend each selection date. If players are sick or injured and unable to attend, a medical certificate or physio letter is required for the selection committee to consider. **SSNA must be advised by email if players are unable to attend, preferably at least 48 hours prior to the selection date.**

Clubs will be expected to provide umpires for our selections and each club will be advised as the roster is prepared.

SSNA 2019 JUNIOR REPRESENTATIVE TEAM
